MINNIE MARIE ALTLAND Advisor

We have chosen "Colonial York" for our theme in order to pay tribute to the great part York played in the history of our country.

York, Pennsylvania, was the capital of the newly formed United States of America from September 1777 to June 1778. During this time the first Thanksgiving Proclamation was issued and on November 15, 1777 the Articles of Confederation were adopted.

York's history is filled with important figures in all fields of our nation's growth: Lafayette; James Smith; Phineas Davis, builder of the first locomotive; and Thaddeus Stevens, famous statesman of the Civil War era.

We feel that by recognizing these men and their deeds, we shall better appreciate our national heritage, and shall ever strive toward the goals they sought.

It is always a sad occasion when we have to say farewell to retiring teachers. However, we are sure that the impressions we have obtained from their presence will be a constant reminder of their undying devotion to William Penn. There were times, of course, when they may have questioned our respect for their knowledge and years of service, but I can honestly say that our trust never faltered.

So now, as their final year at Old York High comes to a close, we hope that they will always regard their years here as well worth the part of the lives they have left behind. We hope that the doors of friendship, cooperation, and understanding at William Penn will ever remain open so that their experience here will always be remembered as some of the happiest of their lives.

— A student

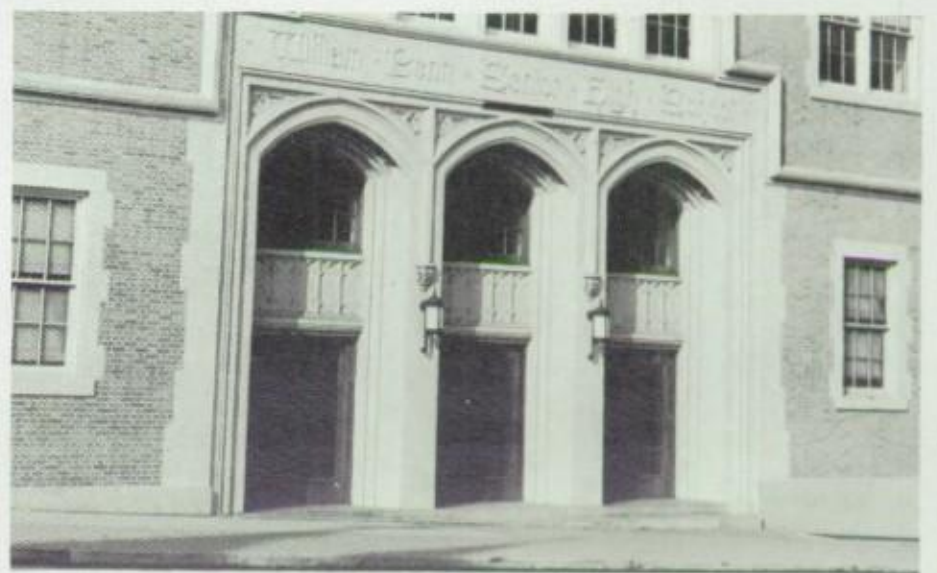

Remember the child. Remember youth. Remember that whatever station in life you may fill, these mortals—these immortals—are your care. Devote, expend, consecrate yourselves to the holy work of their improvement. . . . Learn only how the ignorant may learn; how the innocent may be preserved; the vicious reclaimed.

Old York High, High, High
 Dear Old York High, High, High
 We may search in all directions,
 But we'll find none other nigh.
 When our days with thee are over,
 In thy spirit we would hover,
 Old York High, Old York High,
 Old York High, High, High.

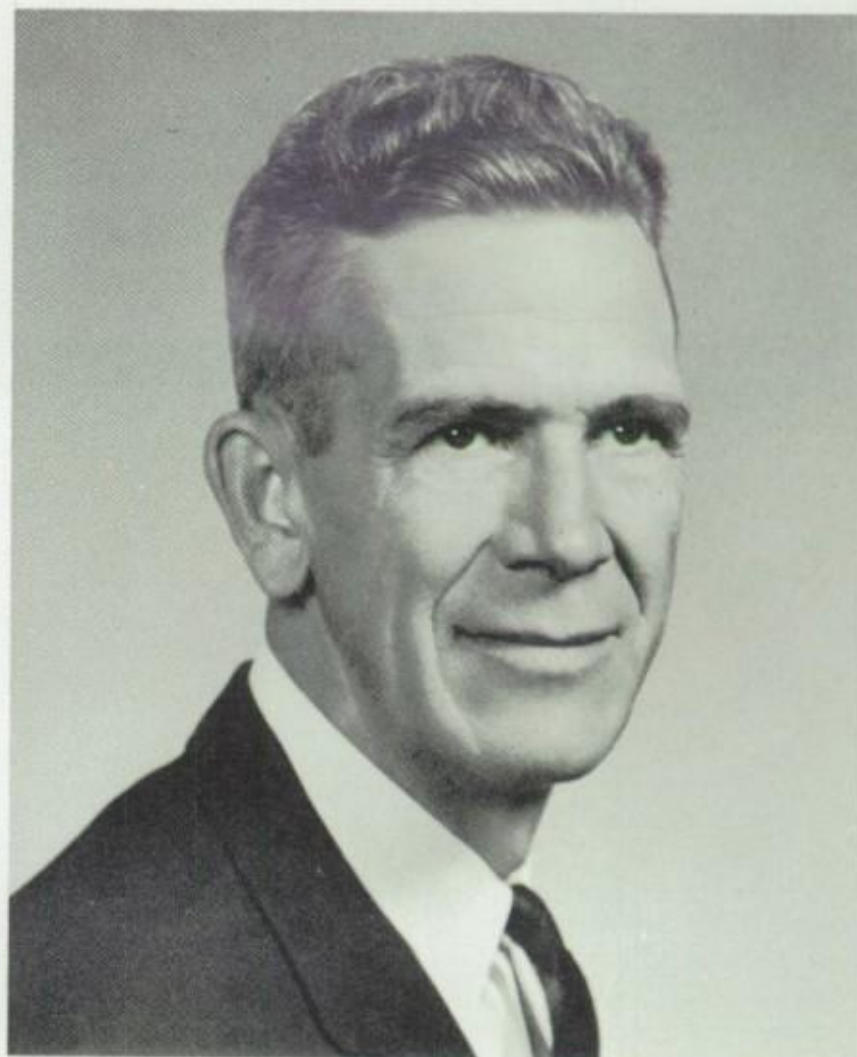

DR. JOHN C. ALBOHM

Dr. John Albohm, who is now serving his sixth year as Superintendent of Schools, is burdened with many duties unacknowledged or unknown by the public—visiting all the schools in his district, checking to see whether each school measures up to its credited standards, presenting to the Board of Education any problems which have arisen.

As a former teacher and principal, Dr. Woodrow Brown is exceedingly competent and able for the position which he holds—that of Assistant Superintendent of Schools.

DR. WOODROW BROWN

CHARLES W. YAUKEY

The Board of Education consists of nine men elected for a six year term. They meet at least once a month to discuss and eventually settle the various problems brought to their attention by the Superintendent of Schools.

The recent additions to William Penn Senior High School are after-products of their diligent inclinations toward progress.

We all know and admire men like Washington and Franklin, who, during the colonial period in America, strove to the best of their ability to secure our undying freedom. However, during any discussion of leadership in this period, the question always arises as to whether a great moment in history was caused by a great leader, or a great leader was caused by a great historic time. Here at William Penn no discussion is necessary. We can be assured of the fact that if any great future shall be obtained by the students, it will be due entirely to the leadership and guidance given to us by our worthy teachers.

Our New Cafeteria Open for Service

September 1960, brought York High students a new and modern cafeteria accompanied, however, with inevitable consequences — the closed session and food not quite equal to those home-cooked meals.

A new library? No, it's just the old cafeteria transformed into the "reader's paradise." Provided with new tables of every shape, new shelves worthy of the books they hold, and a welcome atmosphere of "at homeness," this library could hold its own anywhere.

The Fiftieth Anniversary of William Penn's Industrial Department 1911-1961

Stanley Zweibel F. A. R. Hoffeditz Dr. Edwin Rumpf William Snyder

Vocational and commercial education in our York High School began more than fifty years ago. Cooperative education began in 1911, and the new industrial course came not by chance, but rather because of the insight and forward thinking of prominent members in our local community, trade and manufacturer's associations. Professor Stanley A. Zweibel was the former Supervisor of Vocational Education. During his time the Industrial Society was organized on May 20, 1912. The first annual open meeting was held May 7, 1915 in the York High School building located at southeast corner of Beaver and College Avenue. A constitution was drawn up and the following motto chosen: "Always to Excel." G. Gilbert Weaver and Louis G. Crater followed Mr. Zweibel in charge of Vocational Education.

From 1920 to 1949 Professor Fred A. R. Hoffeditz took over the responsibilities in developing the Cooperative Course which became one of the best known programs of the Industrial Department. Under this plan the student alternates on a two week basis between the school and industry where he is serving his apprenticeship. Before any student can be placed on the Cooperative Program he is given basic training in the school shops. To enroll in this program, the enrollee must be fourteen years of age. "Come to the Open House" of the Industrial Department in the William Penn Senior

Almost Half a Century of William Penn's Cooperative Department 1915-1961

J. P. Griest S. Gordon Rudy Kenneth Shultz

High School was an innovation of Dr. Edwin L. Rumpf, Director of Vocational Industrial Education and Supervisor of Industrial Arts. This presented opportunities for today's youth to see in action the York High School plan that "builds tomorrow's men" for a greater industrial York. This was held on Friday, March 27, 1953. Mr. William Snyder assumed the directorship of the Industrial Department April 1960. An industrial fair will feature the 50th Anniversary.

The Cooperative Business Course was introduced in our school in 1915 by Professor Wesley H. Bowman who was the first head of the Department of Business Education. The plan was similar to the Industrial plan, only the students went to school every other week and in offices the alternate weeks instead of two weeks at a time. Mr. J. P. Griest did much to advance and improve this new cooperative plan. S. Gordon Rudy took over this Business Education Department in 1941, and greatly broadened the opportunities for members in our school wishing to prepare themselves for office procedure in the business field. Today Mr. Kenneth Shultz has developed the Business Education Department so that there are, at present, many students working in offices.

ACTIVITIES

"All work and no play makes Jack a dull boy" well describes the William Penn attitude toward extra-curricular activities. We believe that to be a well-rounded student, one must have a variety of interests. York High is well-equipped to satisfy the students' needs. The students are offered a plentiful amount of organizations, clubs, and societies from which to choose. Whether he has definite objectives as to what he wants to join or if he doesn't, there is some activity at school awaiting the student. No one will keep him from joining if he can fulfill the scholastic or athletic requirements of the organization.

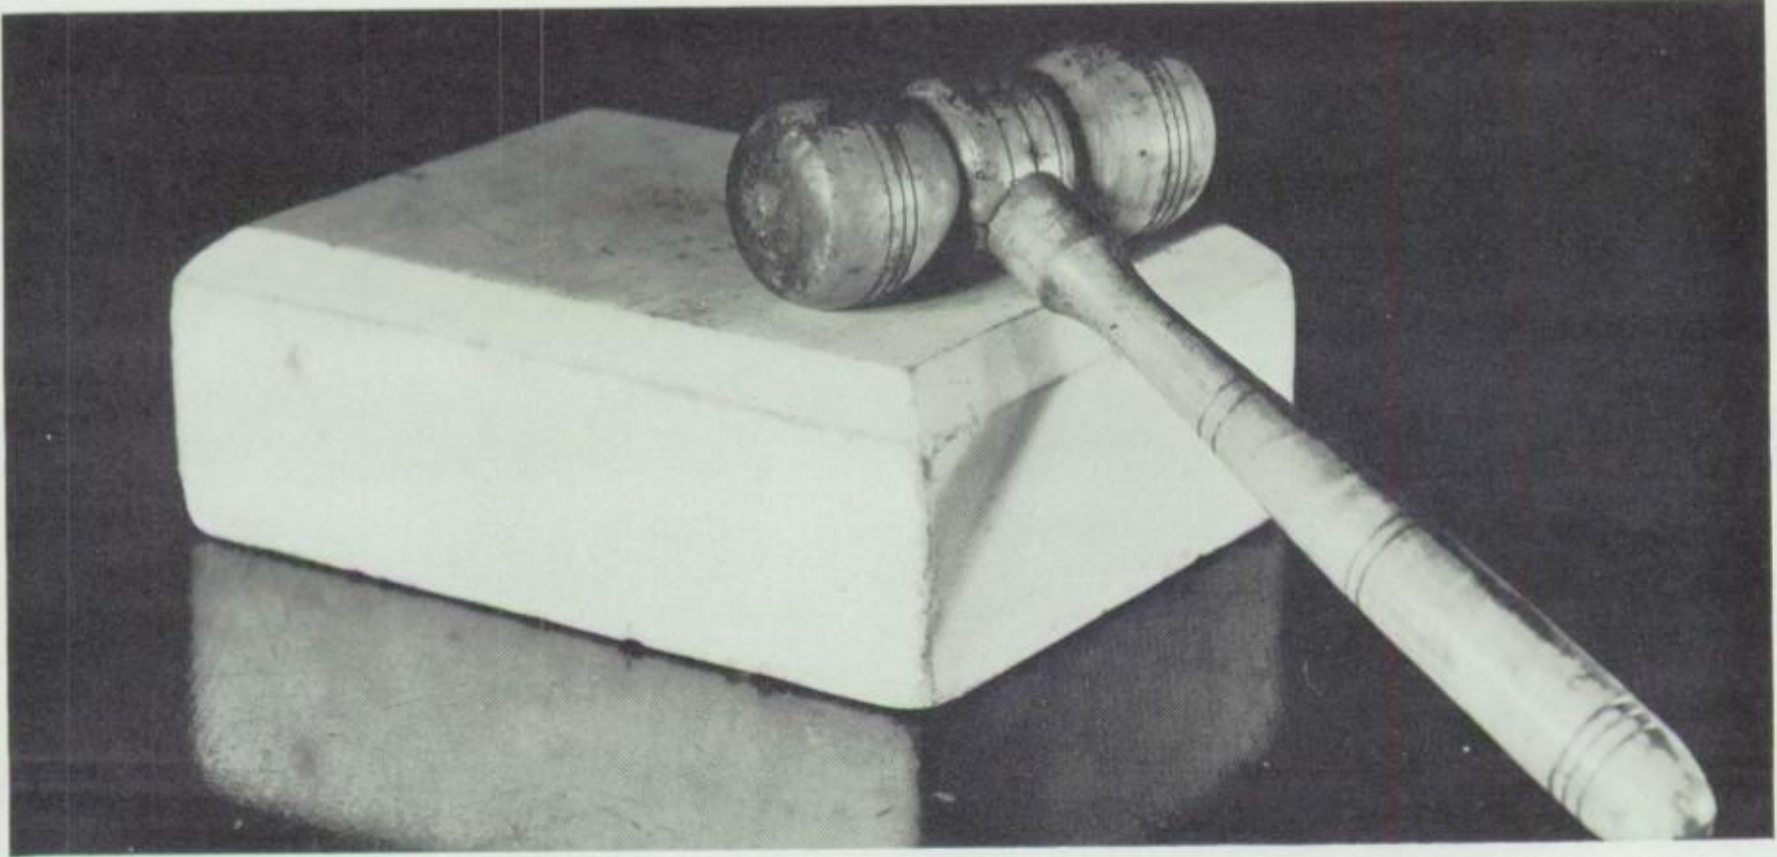

It is up to the student himself to take advantage of these opportunities, and the results at York High show that most students are availing themselves of them.

Our Principal installs President Mark Yaukey
and Vice-president Rodger Kuntz.

Student Government

This is our symbol of authority.

The student government of William Penn represents a small scale production of the national government. Our version of the executive branch includes the President and his five member cabinet. In the representative capacity, we have twelve senators, four from each class, and a house representative from each homeroom. All participants in both branches are elected by the student body to dedicate time and energy for their benefit. In place of a judiciary branch, we have student council committees; the Student Advisory Board, the Service Squad, the Finance Committee, the Junior Red Cross Committee, and the Social Committee — designed to give willing and competent students a chance to donate their services for the school's advancement while they, in turn, gain valuable experience. We are truly proud to be carrying on the traditions of the government formulated in York more than 200 years ago—that of Democracy.

Science Fair

The annual science fair is presented to give local students the chance to show their talents in general science, physics, biology, chemistry, engineering, and mathematics. It is estimated that over 300 York City and County high school students participate each year. This fair is growing and the experimental project is proving an overwhelming success. The exhibits are displayed for a week in the annex gym of our school. They are then judged, and the winning project is entered in the state competition. Our award winning students bring honors to York High and should be commended for their ingenuity and outstanding ability.

Foreign Exchange from York Hi

Starting out for the day.

On her way to class.

How can I ever thank all of you at York High who gave me the wonderful opportunity to enjoy a summer which I will never forget! Yes, I had the most wonderful experience of my life as an exchange student—the opportunity to live with a foreign family, to be a part of their home, and to share in customs and traditions that were entirely new to me.

Norway, the Land of the Midnight Sun, became my new home this summer, and Tromsø, a little town in the very northern part of the country, was where I lived for two blissful months with my wonderful family. Through them I came to know the Norwegians as they really are. I found that they are a very warm and friendly people, and that they are as desirous as we for international peace and understanding.

As I joined my new family and friends in their activities, I came to admire and love these people more every day. Only then I realized how much we, the different peoples of the world, could learn from one another if only we would put aside our differences and, instead, concentrate on our similarities of purpose. In this way we would all be gaining something very valuable—even priceless—and at the same time we would be giving of ourselves and extending a hand of friendship to our brothers all over the world! In truth, we would actually be fulfilling this motto which symbolizes the American Field Service program:

“Walk together, talk together
O ye peoples of the earth:
Then and only then
Shall ye have peace.”

Lois makes a selection.

Foreign Exchange from York Hi

The date was August the 16th when a plane with 75 students under the support of the American Field Service arrived in New York City. Each student was anxiously awaiting the moment when he would meet his new family for the first time. I was no exception.

When this moment did arrive, it was the beginning of the greatest experience of my life. I have had the opportunity to learn the sentiments and ways of the American people.

Through this introduction, I have found that the United States is the most advanced country and has many facilities that other countries are not fortunate enough to have.

I feel that the American Field Service exchange program is certainly the best way to create better international understanding.

Here in the United States I have gained many new and wonderful friends in my family and among classmates—friends whom I will never forget.

I would like to thank everyone at William Penn for their generosity and friendliness.

Dios guarde por siempre a todos ustedes.

"My God keep you all forever."

Thinking of what?

Rosemary making preparations.

So thirsty eh!

Foreign Exchange from York Hi

Suat in Tatler Office.

I am one of the most fortunate boys in Turkey. Because one of my greatest dreams to be selected as an AFS student to come to America has come true.

This year at York High has been a wonderful one for me. I have had many memorable experiences in this past year. My friends here will be my friends during my whole lifetime.

It is difficult for a person to understand the foreign countries and foreign people without living with them; but it is very easy to understand and to be a friend of them when one feels that he is part of their life. A person can find the reason why they love you and show you kindness.

I am happy that I have learned to know America and I have become one of her dearest admirers.

I would like to thank the people of York and York High for having given me these wonderful opportunities to know them. I shall be thankful to them forever. You will live in the best part of my memory as much as I live.

ALLAH AMERIKAYI KORUSUN. "God bless America."

Suat on way to class.

Suat finishes the day.

Christmas Exchange Assembly

Christmas in America.

A hilarious rendition of "I Saw Mommy Kissing Santa Claus," complete with night clothes, a Santa Claus endowed with a contagious "Ho, Ho, Ho," a surprised Rosemary and Suat—what could have been a better prelude to our annual "gift-giving" party for the foreign exchange students?

"I Saw Mommy Kissing Santa Claus."

Our Advisor

MISS MINNIE MARIE ALTLAND
1945-1961

We salute you, Miss Altland, as a veteran of our beloved school.

You are a person of great vision and ability who understands youth with its manifest problems. You came to William Penn with a broad background, truly dedicated to the teaching profession, and used your experience as a real foundation for your teaching. You are never too busy to stop and chat with any of us for a few minutes and your ready smile and pleasant greeting always make us feel "at home."

Your original ideas made your courses a unique educational experience for generations of students. You have given unselfishly your time and effort to work with student groups, organizing and advising such groups in William Penn as the Future Teachers of America, the Junior Red Cross, and The Quill and Scroll national chapter. For two decades you worked in the field of journalism, being co-advisor of the York High Weekly, our first newspaper, and advisor of The Tatler, our school yearbook.

We sincerely appreciate your long and faithful service and assure you that you will not be forgotten by any of us who were fortunate enough to know you. May best wishes attend you, our sincere friend "Minnie Marie," a great teacher in a great school.

The York Hi-Lites

The York Hi-Lites has rendered much service to our school. It not only keeps the students informed about what is going on around William Penn pertaining to scholastic activities, but also informs them of all the social, dramatic, and athletic activities. Most of the members of the staff work on advertising and circulation while others work on news features, sports, and art. In 1954, under the supervision of Mrs. Metzler, its present advisor, the York Hi-Lites came into being.

William Penn Senior

Many local and state honors have been captured by our William Penn Senior High School Band. Our band, a musical organization of which we are justly proud, performs at football games, parades, and some of the assembly programs. And that's not all! Concerts at the three junior high schools are presented to interest the students in joining the band upon entering high school and, in addition, an annual concert is featured in the spring.

Mr. Sprigle

Under the direction of Mr. Elwood Sprigle, the William Penn Senior H. S. Orchestra is one of our finest musical organizations. This outstanding group of students participates in the annual Forensics, furnishes the musical background for Thespians productions, plays in assembly, and gives concerts at each of the three junior high schools. May the coming years bring much luck and success to these modern-day Euterpes.

The Playboys of William Penn Senior High School, popular with the students, are heard at every school dance. Their popularity, however, is not limited to the William Pennites, as they are often called upon to be guest performers at other schools in the vicinity. For music and style the way it should be, it's Wolf's Playboys.

Class Poem

These hallowed halls,
Ringing with the tears and laughter of past generations,
Bid us, the class of 1961, farewell.
We have spent three years within these walls.
Now the time has come for us to leave.
Sadness is a part of saying goodbye,
But the memories of Old York High
Shall never be forgotten.
We now approach the threshold of life.
There is no turning back,
For soon the door will close behind us,
And we will go forth into the world.
These years have passed so swiftly.
Yesterday we were sophomores,
Today we are seniors,
Tomorrow—who can know
What the fates hold for us.
But the future beckons forward,
And forward we must move.
The road of life is long, and sometimes vague,
Filled with joy and heartbreak,
But the class of "61" shall shine
Like an unwavering torch,
Lighting the path for all those who follow.

Class History

Shortly after graduation from college, John Smith returned home to gather his remaining belongings, before moving West to his new job. With the help of his sister, he began the arduous task of searching the old trunk into which his high school mementoes had been placed. In the process, Lynn discovered her high school diary hidden in the bottom of the antiquated trunk. After summoning her brother, they gazed fondly at the tattered pages, which contained many cherished memories of York High.

SEPTEMBER 3, 1958: We entered the seemingly huge doors of William Penn, aided by juniors and seniors to show us shortcuts by way of elevators, escalators, and closet doors. In a daze, we were guided into the auditorium where we were greeted by our Principal, Dr. O. Meredith Parry, and by Student Council President Howard Learned. From there we wandered to our homerooms, where we met the persons with whom we would spend the next three years.

SEPTEMBER 22, 1958: I'll never forget our bewildered school president as he tried in vain to get the active participation of our class at its first class meeting. Mrs. Kriner and Mr. Freedman were introduced as our class advisors and, eventually, Sue Kehm, Lora Lucking, Mark Yaukey, Rodger Kuntz were announced as having been elected our class senators.

OCTOBER 15, 1958: The first month has passed quickly, and we now find ourselves amid the gaiety of the Sophomore Party, "Wheel of Fortune."

JANUARY 29, 1959: Now that the first semester has ended, we assembled again, with a little more success, for the purpose of electing class officers. Sue Lindemuth—President, Tom Calder—Vice President, Leslie Freed—Secretary, and Bertha Campanelli—Treasurer were chosen to be the first leaders of our class. Our colors, cherry and white, and motto "Bearing the torches of the past, we will light the way of tomorrow" were also chosen at this time.

FEBRUARY 1, 1959: Everyone has worked diligently to attain the grades necessary for eligibility into the many societies and clubs, and the efforts of many were rewarded by acceptance into these activities.

MAY 5, 1959: Now that the end of the year is near, we assembled for the last time as sophomores in order to elect Mark Yaukey—President, Sue Lindemuth—Vice President, Jan Lindemuth—Secretary, Karen Weaver—Treasurer, and Sue Kehm, Leslie Freed, Rodger Kuntz, Tom Yohe—Senators, as the leaders for our junior year.

SEPTEMBER 9, 1959: How superior we felt as juniors and how eager we were to assist the incoming sophomores on

their way by use of the newly installed elevators, escalators, and closet doors!

OCTOBER 14, 1959: We began our junior year with a bang, as we displayed our numerous talents in the "Club Oasis" of the Junior Talent Show.

JANUARY 13, 1960: We realized what a fine job Mark Yaukey had done as President; so, at our first class meeting as juniors, we re-elected him along with Lois Tart as Vice President, Bill Lawyer as Secretary.

APRIL 9, 1960: In our Junior Class Play, entitled "The Wonderful Adventures of Don Quixote," Tom Pickard and Bill Lawyer as leads performed admirably.

APRIL 25, 1960: At our final class meeting we elected Lynn Galatin—President, Jane Fitzkee—Vice President, JoAnne Brown—Secretary, and Steve March—Treasurer, as the leaders of our senior class. Senatorial positions were filled by Sue Kehm, Leslie Freed, Tom Yohe, and Bob Brown.

MAY 3, 1960: How proud we were to have Mark Yaukey elected President of the Student Body! The other executive posts were filled by Rodger Kuntz—Vice President, Bob Gentzler—Secretary of Attendance, Lois Tart—Secretary of Council, Pat Sipe—Secretary of Service, and Bertha Campanelli as Secretary of Homerooms.

MAY 7, 1960: The highlight of the junior year arrived in the form of the Junior Prom entitled, "Almost Paradise." Johnnie Hutton's Orchestra played softly as Dave Billet, Master of Ceremonies, introduced Rodger Kuntz and Sue Kehm as our King and Queen.

SEPTEMBER 7, 1960: We finally made it! The first two years have hurried by in a twinkling, and we find ourselves Seniors and the leaders of our school. Although Seniors, we, too, faced something new—a closed day schedule!

NOVEMBER 17, 1960: The first major event of our senior year was the Homecoming Festivities. Sue Kehm reigned as Queen during the entire weekend.

DECEMBER 3, 1960: Our Frolic entitled "Giry Crazy" saw the superb endeavors of Lora Mae Lucking, Marlin Kenée, and Tom Williams.

JUNE 3, 1961: Our supreme thrill came to us in the form of the Senior Prom, which was anticlimaxed by Baccalaureate and Commencement Services. All too soon the years have passed and we find ourselves facing an uncertain future and it is with sad hearts that we bid farewell to these sacred "Halls of Ivy."

Farewell to Old York Hi

This parting song for thee, York Hi, we write with our love so true.
From your halls we'll pass and pray in memory of you.
T'was here that we met the dear friends we knew.
Now we must depart from thee. To thee we bid adieu.

But before we go from here, one last hope we leave for you—
That your days at Old York Hi may have God's blessing too.
Try your best each year. These days are far too few.
Soon you'll wish you had the chance to try to start anew.

Now the class of sixty-one wants to give their thanks to you
For your help along the way, the boosts we needed too.
A few years from now our three years that flew
Will be cherished by us all for we'll remember you.

Happenings at

Old York Hi

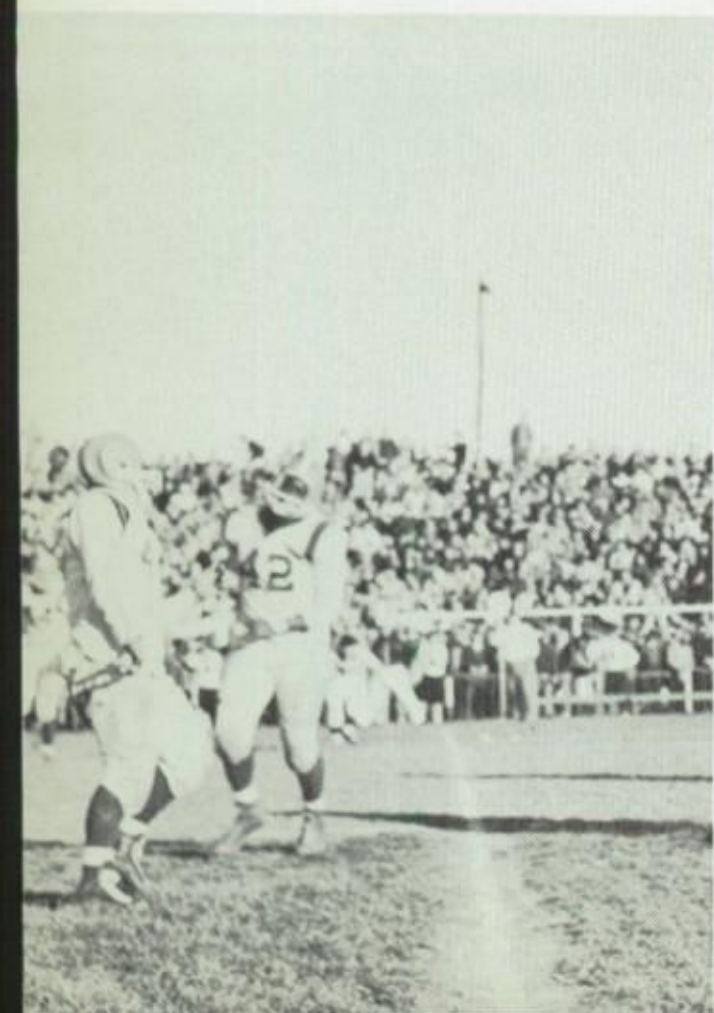

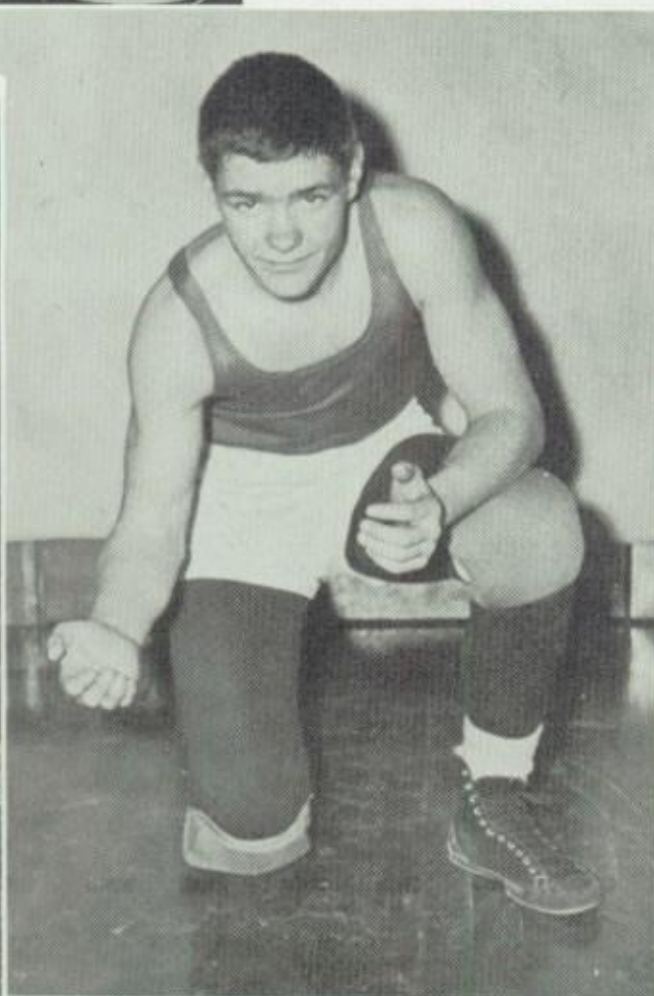

The sports program of York High is for the enlightenment of its students in sportsmanship and good health. At William Penn we sponsor seven varsity sports: football, basketball, swimming, wrestling, baseball, golf, and track. Students receive awards for sufficient participation in these sports. For the girls there is a complete intramural program; 50 points secured in any of these sports entitles a girl for membership to G.A.A. Boys are offered eight intramural sports; tournaments are often held to display their capacity in these sports. An active participation in sports is a vital part of our school life.

Football Scores

FRIDAY, SEPTEMBER 30, Despite a field ankle deep in mud the Bearcats came through with their opening league game against Williamsport here at home. The second quarter exploded with a 54 yard run to a touchdown by left halfback Bill Kearse. Jim Watkins opened the third period with a spectacular 84 yd. runback for a touchdown on the kickoff. Ed Mauch followed through in the fourth quarter . . . from the three yard line TOUCHDOWN! Coach Waleski and team were WET—Muddy, But VERY HAPPY.

FRIDAY, OCTOBER 7, Coach Waleski's gridders whipped the jinx at Lebanon Field. This field had been the graveyard of former Bearcat squads. Jim Watkins led the way with two touchdowns and Stoner added a third. Bill Kearse thrilled the crowd with a fine runback which just about went all the way. The Bearcats were in top shape this night and pulled through.

FRIDAY, OCTOBER 29, The Bearcats battled to a 0-0 tie with John Harris in a classic game. Fighting tooth and nail right down the line, neither team could shove across that winning score. People were

going away saying that both squads won and Rightly So. . . .

SATURDAY, OCTOBER 29, This was a sad day for the Bearcats. William Penn of Harrisburg handed York High its first defeat of the season. Battling hard the York squad just couldn't get by that tank. Frank Stoner came through with a pass by Bob Draucker in the last play of the game. It was rough, but we were fighting.

SATURDAY, NOVEMBER 5, Again the Bearcats took to a muddy field to overcome the Steamrollers of Steelton Highshire. Bob Draucker played a magnificent aerial game; with Draucker's help Watkins, Rowe, Stoner, Mauch and Brown built the way to a 33-7 victory for "Old York Hi."

SATURDAY, NOVEMBER 19, One of the largest crowds in York High history watched this exciting Homecoming Game. Even the "Hooks," "Nails," and "Dragons" couldn't beat the Lancaster Red Roses. Draucker, in good form, hit Mauck in the second quarter to put York in the running. Watkins carried across another in the fourth but it wasn't enough. We tried, you must admit.

Swimming Scores

YORK VS. LANCASTER—York High's mermen started off their season with a big splash against an improved Lancaster team. York came through on top, however, and the final score was York 51, Lancaster 35.

YORK VS. THE HILL SCHOOL—Perennially York's hardest dual competition of the season, the York High-Hill School meet is always an exciting one. Thanks to a much-needed win by our Junior diver, Mike Lau, plus that important ingredient, "Luck," our boys sunk the Hill for the second year in a row. Final score: York 48, Hill 38.

YORK VS. SUBURBAN—Although this meet was magnified in importance by the press, York High won the meet easily, setting a national record in the medley relay. This event was composed of Massam, D. Fogle, Yohe, and Groft. Their time was 1:43.5. Final score: York 57, Suburban 29.

HERSHEY—An away meet, York High stunned the spectators by jumbling its swimmers around until no one seemed to recognize them as the famous team. Nevertheless, they performed admirably, winning by the score of 63-23.

MILTON HERSHEY—Equalling its score against the other Hershey team, York put on a tremendous display of power for its local fans. People were somewhat surprised to see breaststroker Yohe swimming freestyle, but his second place in that even proved what a great all-around swimmer he is. Also, it showed why he was elected Co-Captain of the squad, along with Tom Calder, senior backstroker.

COATESVILLE—Although handicapped by having to swim in Coatesville's "bathtub size" pool, York High won in their typical style, setting several pool records to boot. Final score: York 56, Coatesville 30.

DISTRICT 3 PIAA—For the 26th consecutive year, York collected top honors. They set new records in five events: 50 yard freestyle, Bill Groft, 100 yard freestyle, Bill Groft, 100 yard butterfly, Dick Fogle, 100 yard backstroke, Jim Massam, 100 yard breaststroke, Thomas Yohe, also senior diver Ron Jenkins surprised everyone by placing third in the diving.

EASTERN INTERSCHOLASTIC SWIMMING CHAMPIONSHIPS

Every year the York High mermen travel to Lawrenceville, New Jersey, to participate in competition against some of the best high school swimmers in the country.

York made a fine showing this year, as Bill Groft won two first place awards. The team as a whole placed fourth, with twenty-eight points.

PIAA REGIONAL CHAMPIONSHIPS

For the 21st consecutive year York came out ahead in this meet with a total score of 48 points, almost twice as many as the second team, Lancaster.

PIAA STATE CHAMPIONSHIPS

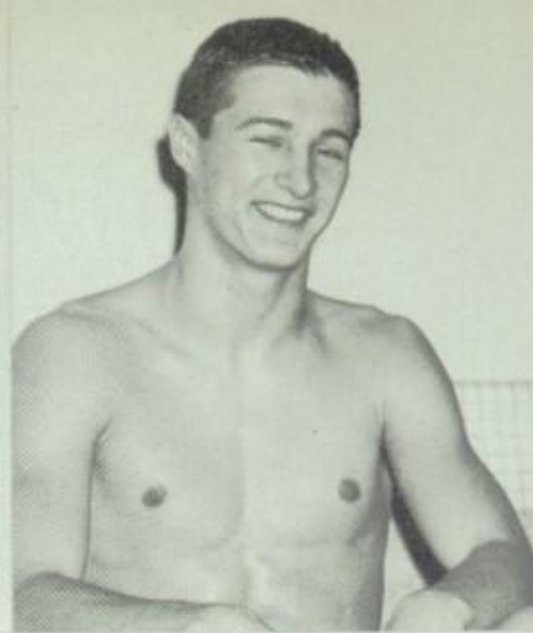

Our boys grabbed 40 points in this meet to come out in 2nd place. Sophomore Bill Groft tied for 1st in the 50 freestyle and won the 100 yd. freestyle.

The Girls' Athletic Association provides the facilities for girls to enjoy a variety of sports. Any girl in York High is eligible to become a member. Awards are made on the basis of a point system at the annual banquet. At the William Penn Senior High School an extensive athletic program is offered to all students who care to participate in it. Included in this program is a plan for girls to take part in their favorite sports in competition with others of similar interests. Although the Girls' Athletic Association is the main organization for them, they must not belong in order to enjoy the privileges extended to members.
